The Italian societies do not intersen from the laborer. More than of hundred complaints were drawn up-day. It is said that no agreement iny kind was ever made between to men and the padrones. The labors were simply told to go to work and we obliged to accept whatever was offer hem.

obliged to accept whatever was offered them.

The laborers were jubilant, this morning over the turn affairs hadetaken. To them the crushing of the padrone system means a great deal. "The Evening World' was thanked over and over again for the stand it had taken.

All day bong Italians crowded the office of Vincenzo Palumbo, 193 Mott street, anxious to have complaints against continctors drawn up and sworm to. Mr. Palumbo was a school-teacher in Italy, and on arriving here opened a school for Italians. That school is now being conducted by his brother in Spring street, the Italian Government paying the expenses. He is one of the number who has received a threatening letter, but he proposes to continue the good work.

Judge Pryor, of the Court of Common Pieas, to-day appointed a Charles A. Deshon as referee to conduct the physical examination of Miss Agnes S. Lyon, of 129 East One Hundred and Ninth street, who is suing the Manhattan Elevance of Scaling Several Scale S
